Government in their order No D 8176-7 dt J.S. 17-26-6 dt 23-3-1927 X accorded their sanction to the entertainment of one additional hand on Rs 50/- per mensem for a period of one year, with a request that the work should be brought up to date with the aid of the new hand. As for the question of ~~the~~ permanently strengthening the office, it was pointed out that fresh proposals should be submitted before the end of January 1928.

Consequent on the work of his office being highly of a technical character and the work having considerably increased from 1918-19, the Registrar now proposes for the same to make the appointment Rs 50/- a permanent one. As repeated requests are being made on this subject, it is a point for orders as to whether the post may be made permanent.

With regard to the work of destruction of records and of keeping the documents. (vide Notification No 8297/J.S. 21-22-2, dt 8-2-24 para 1)

Si

200 g. With reference to your letter No.D.6339/J.S. 17-26-4 dated 7-2-1927 and subsequent reminders, I have the honour to state that ~~as stated in Mr. B. Ramaswamiah's D.O. No. 1169 dated 18-3-1927 the~~ office was busy in the second quarter of this year in the preparation of the annual report and in attending to other urgent work of this office. The additional hand sanctioned in Government Order *g.p.* No. 8176-7/J.S. 17-26-6 dated 23rd/25th March 1927 joined duty in the middle of June. As most of this office work is highly technical and a clerk newly entertained must have some training before any work is expected of him, some time was taken in training him.

Left (2) In addition to 203 papers pending disposal on 25-11-26, 1405 papers were received in this office from that date upto 27-11-27. Of these 1608 papers, 1459 have been disposed of up-to-date, and 149 papers have to be brought to disposal.

(3) The remaining 149 papers will be disposed of in the course of ~~next~~ *this* month and a further report will be submitted in January next as per Government Order referred to above. Most of these papers being lists of members, balance-sheets, lists of Directors etc., they are not *of* an urgent nature and require to be carefully scrutini-

scrutinised before they are passed on to their respective files. Being generally lengthy the work of scrutinising them cannot be rushed through, but every effort is being made to bring the work up to date.

(4) Arrangements have been made for keeping the documents on the system prevailing in Madras. But-as the documents of Companies from the year 1875 have to be arranged and indexed the services of another clerk will be necessary as already represented by Mr. B. Ramaswamiah in his letter No. 1027 dated 20-1-27. A report on this matter also will be submitted in January next.

(5) As regards the preservation and destruction of records, I have submitted a communication separately.

I have the honour to be,

Sir

Your most obedient servant.

FROM

~~V. P. RAMA RAO, Esqr., B.A., B.L.,~~

The Registrar of Joint Stock Companies in Mysore.

TO

N. RAMA RAO, Esqr., B.A., B.L.,
Secretary to the Government of His Highness the
Maharaja of Mysore, Development Departments,
BANGALORE.

Sir,

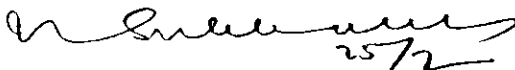

With reference to Government Order No. 8176/J.S. 17-26-6 x dated 23rd/25th March 1927, sanctioning the entertainment of an additional hand on Rs.50/- per mensem for a period of one year and in continuation of this office letter No.C.112/27-28 dated 2nd December 1927, I have the honour to state that 138 papers were pending disposal on 23rd February 1928. On account of the work getting more and more technical and complicated and on account of the time taken in training the additional hand, who joined duty in June last before entrusting him with the work of a complicated nature, the work could not be brought up to date. As already stated by Mr. B. Ramaswamiah in his D.O.No.1027 dated 20th January 1927, the work of the office has increased from the year 1913-19 and that the accumulation of arrears is due to the very limited number of the staff and the serious and difficult nature of the papers which take appreciable time to be disposed of. I, therefore, request that sanction of Government may kindly be obtained making the appointment on Rs.50/- permanent

2. For attending to the destruction of records, the Rule relating to which has been published recently under Notification No.8297/J.S. 21-27-2 dated 8th February 1928 and for arranging and keeping the documents of companies after the system prevailing in Madras, I request that orders may kindly be obtained for employing another clerk on Rs.30/- per month for a period of one year in the first instance.

3. In

3. In the Budget for 1928-29 received from the Comptroller there is provision for paying only 12 days' pay to the additional hand on Rs.50/-. Consequent on the proposals now submitted, an additional sum of Rs.580/- for the hand on Rs.50/- and a sum of Rs.330/- for the clerk on Rs.30/- will have to be included in the next year's Budget.

I have the honour to be,
Sir,
Your most obedient servant,
